

## REMARKS

In a communication mailed January 14, 2004, Applicants were notified that the response to a restriction requirement and an amendment filed on December 22, 2003 was non-compliant under 37 CFR 1.121. This response is to correct the alleged noncompliance.

In particular, previously amended claims were identified by Applicants as being "previously amended" rather than the preferred "previously presented". Applicants have therefore made this required change and are submitting only the required corrected section.

Applicants request withdrawal of the non-compliant status of the amendment filed December 22, 2003 and the entrance thereof. Should issues remain that might be subject to resolution through a telephonic interview, a telephone call to the undersigned at (512) 996-6839 is requested.

Respectfully submitted,
